2nd International Workshop on Klinefelter Syndrome.

This workshop will be held in Münster, Germany, from March 10 to 12, 2016.

The deadline for registration and abstract submission is January 31st, 2016.

Further information and registration details can be found at http://www.klinefelter2016.de

An attractive program has been compiled that will cover the different aspects of Klinefelter Syndrome ranging from X inactivation to neuropsychological effects. Renowned experts will speak at the workshop, and the 2-day event will also give young scientists and clinicians an opportunity to present their recent work during an oral communication and poster session.

Further details on registration fees, abstract submission and venue are given under: www.klinefelter2016.de

We are looking forward to welcoming you to this unique event.
